Customer Agreement

- A. As a qualified Silicon Valley Power (SVP) Customer, I agree to indemnify the City of Santa Clara, its City Council, commissions, officers, employees, volunteers, Strategic Allies, and agents from any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and reasonable attorney's fees in providing a defense to any claim arising from this Rebate.
- B. I certify that I will purchase and install the indicated energy saving equipment or implement the indicated energy efficiency measures during the current SVP program year. I will provide a copy of the itemized proof of purchase and installation.
- C. I agree to verification inspections by SVP representatives or its third party contractors of both the sales transaction and product or measure installation.
- D. I certify that the information provided on this rebate application is true and correct.
- E. I understand that the installed equipment or measures must be operational and producing energy savings for a minimum of five (5) years after the project is completed. If the equipment or measures are removed or otherwise not producing energy savings, I understand that I may have to return a prorated amount of the rebate funds received.
- F. I certify that I have not received any other rebates for the equipment or measures indicated on this rebate application.
- G. All pages of this Application are included in and are part of this Agreement. This Application embodies the entire agreement between SVP and the Customer.
- H. Silicon Valley Power's Public Benefit Programs operate under a July-June annual budget calendar. Rebate funding is limited by the annual budget. Rebate applications are accepted on a first come, first served basis until the rebate budget is expended.
- I. Customer is limited to receiving a maximum of \$500,000 of rebate funds in a single program year. This includes incentives received through all SVP programs.
- J. Customer is limited to receiving a maximum of \$500,000 of rebate funds for similar measures installed at a single facility (stand-alone building). This limitation applies for a period of five (5) years.

I have read and understand this Application, including the Program Rules and Eligibility Requirements, and I agree with all of its provisions.

2. Program Rules and Eligibility Requirements

General:

- 2.1. Incentives are based upon registration and successful certification of your facility through the United States Green Building Council's (USGBC) Leadership in Energy and Environmental Design (LEED) Program.
- 2.2. Proof of registration/certification from USGBC must be submitted with this application form.
- 2.3. For certification incentives, energy compliance documentation must also be submitted to SVP.
- 2.4. Submit one application at the time of registration and one at the time of certification.
- 2.5. New building must exceed current Title-24 Energy Efficiency Standards by at least 10% in order to be eligible for a LEED certification incentive.
- 2.6. Efficiency levels should exceed city code or development requirements.
- 2.7. Registration incentive is equal to USGBC project registration fee as published by GBCI for LEED 2009.
- 2.8. The following requirements apply to each rating system/building type:

LEED BD+C (Building Design and Construction)

- a. You must obtain a minimum of 8 points in the EA Credit: Optimize Energy Performance.
- b. For LEED BD+C: Core and Shell, incentives will be paid for registration and certification only (pre-certification is excluded).

LEED O+M (Building Operations and Maintenance)

- c. Re-certification is not eligible for financial incentives.
- d. You must obtain a minimum of 12 points in the EA Credit: Optimize Energy Performance.

LEED ID+C (Interior Design and Construction)

You must obtain a minimum of 13 points in the EA Credit: Optimize Energy Performance.:
